NOTICE-AND-ACCESS NOTIFICATION TO REGISTERED HOLDERS OF PREFERRED SHARES

This year, as permitted by Canadian securities regulators, we are using notice-and-access to deliver to our shareholders the annual financial statements and related management's discussion and analysis for the financial year ended December 31, 2024 (the "2024 Financial Report"), which are posted online for you to access electronically instead of being mailed out. This notice includes information on how to access the 2024 Financial Report online and how to request a paper copy. Using notice-and-access is more environmentally friendly and cost effective because it reduces paper use and the cost of printing and mailing the 2024 Financial Report.
